

FIFTH ANNUAL GEORGIA GLYCOSCIENCE SYMPOSIUM

*“Glycoscience of Biomass
for Biofuels and Bioproducts”*

September 17-18, 2009

Complex Carbohydrate Research Center
The University of Georgia
Athens, GA USA

www.ccrc.uga.edu

PROGRAM

“Glycoscience of Biomass for Biofuels and Bioproducts”

Thursday, September 17, 2009

- 6:00 pm Reception
- 7:00 pm Panel Discussion (**Lee Lynd**, Moderator)
- Bruce Dale**, Associate Director, Office of Biobased Technologies, Michigan State University
- Martin Keller**, Associate Laboratory Director, Biological and Environmental Sciences Directorate, Oak Ridge National Laboratory
- Stuart Thomas**, Director, Technology Development, DuPont Danisco Cellulosic Ethanol, LLC

Friday, September 18, 2009

- 8:15 am Continental Breakfast
- 8:55 am Introduction
- Alan Darvill**, Director, Complex Carbohydrate Research Center, University of Georgia
- 9:00 am **Bruce Dale**, Associate Director, Office of Biobased Technologies, Michigan State University
- 9:40 am **Bernard Henrissat**, Research Director, Architecture et Fonction des Macromolécules Biologiques
- 10:20 am Coffee Break
- 10:40 am **David Wilson**, Professor of Molecular Biology, Cornell University
- 11:20 am **Michael G. Hahn**, Professor of Plant Biology, Complex Carbohydrate Research Center, University of Georgia
- 12:00 pm Lunch/Poster Session
- 2:00 pm **Henrik Scheller**, Director of Cell Wall Biosynthesis, Joint Bioenergy Institute
- 2:40 pm **Lee R. Lynd**, Professor of Chemical Engineering, Thayer School of Engineering, Dartmouth College
- 3:20 pm Continuation of the Poster Session
